Dear Charles:

Congratulations on your most recent accolades! Being named the State's "SBA Young Entrepreneur of the Year" and then competing at the regional and national levels and winning coveted awards at both are outstanding tributes to you. Along with Bruce Luxton, who made an excellent choice in nominating you, your friends at Bank of Hawaii are very happy for you.

As a staunch supporter of the SBA and the many businesses and communities we serve in Hawaii and the Pacific, Bank of Hawaii is delighted to see a dedicated entrepreneur honorably recognized. We are proud to have you as a valued customer and look forward to working with you and your company to achieve even greater successes in the future. Best wishes, Charles, for many more happy surprises in 1998!

Aloha,
